MONMOUTH FESTIVAL

St Mary's Church

8pm

PONTNEWYDD MALE VOICE CHOIR

Choir

Pontnewydd Male Choir was founded over 100 years ago by men working in local industry and has been in continuous existence since then, even throughout the years of two world wars and the depression. The community spirit of the choir prospers and the love of singing perpetuates.

Since its inception the choir has benefited from the great loyalty of its officers and choristers and music teams. With a short unsettled time in the early 1950's it has had only three conductors, the present conductor took up the baton in 1970. He still shows the same enthusiasm for the choir and supported by the music team consisting of Keith Jones - assistant conductor, Pauline Carey and Annette Williams - accompanists he leads the choir with great skill to inspire enthusiasm and high standards of performance.
