

KITE FESTIVAL & BALLOON GLOW ON MONMOUTHSHIRE SHOWGROUND starting at 3pm and continuing into the evening Sunday 1st August

3.00pm onwards
Admission
FREE

The Festival has teamed up with Monmouth Rotary Club and Monmouthshire Show to present an exciting Kite Festival where groups of Kites will demonstrate their skills. All kinds of kites from static kites to the drama of traction kites will be performing. Microlighters will also show their machines and Sky Divers from The Tigers Parachute Display Team will be dropping in.

**THE TIGERS
PARACHUTE
DISPLAY TEAM**

The Balloon Glow starts when dark, approx 9.00pm

Admission **FREE**

The Monmouth Balloon Night Glow sees eight hot air balloons from all over the country take part in an extravagant evening show featuring their colourful craft lighting up the night in a carefully choreographed performance. On Saturday night, just after dark the hot air balloons will be inflated and will glow in the dark like giant (80 feet tall) light bulbs to the sound of music followed by a fireworks finale. This is a great family event with a rare opportunity to get up close to these flying giants, or to simply sit back and take in the panorama of colour as the balloons light up the evening sky. A spectacular sight not to be missed!

Please note that these events are weather-dependent and may not go ahead, or the programme may be reduced, if we have severe weather conditions. Please check the website for information on the day if you are unsure. www.monmouthfestival.co.uk A fully licensed bar and food stalls will be on site all day.
