FELIKS TABIS GYPSY JAZZ ENSEMBLE

Jazz

Felix Tabis Gypsy Jazz Ensemble play passionate acoustic jazz in the Style of Stephane Grappelli and Django Reinhardt, bringing you a taste of classics from the roaring 20's and swinging 30's to the finest Hot Club Jazz. Felix Tabis began playing violin at the age of 7 and became inspired at an early age by the passionate and uplifting style pioneered by jazz violinist Stéphane Grappelli and guitarist Django Reinhardt, who co-founded the 'Quintette du Hot Club de France' in Paris in 1934. This was one of the first all-string acoustic jazz bands.

Felix has been a professional musician for over 20 years and has played across the UK and Europe with many ensembles and musicians, including an impromptu performance with Jools Holland at Glastonbury festival in 2000. The soulful sound of the violin and exciting sound of the Maccaferri guitars with their swinging rhythms, create an enchanting atmosphere evocative of Gypsy campfires, Parisian cafes, and romantic nightspots...
